Mission Statement

Maconce Elementary School, in partnership with the community, will provide a learning environment by delivering quality instruction that promotes curiosity, creativity and the desire in students to reach their full potential.

Maconce Elementary Staff is very thankful for the continued kindness and support from the community, parents and students of our school. During May's staff appreciation week our staff felt the "love" in many ways. We cannot thank you enough for the food, kind words, and tokens of appreciation that we have received. New Baltimore Nutrition provide Iced Tea for all our staff. A special thank you to the Watermark Church, The Griffin, Wuchte,Tundo and Balko Families for providing luncheons for our staff during that week.

It's been a transitional school year as COVID restrictions have changed, we have all tried our best to create a sense of normalcy here at Maconce for your children. We encourage you to continue to support your child's education and social emotional growth through the remainder of the school year and during the summer. Together we can make it through these last few weeks of school. Let's finish Maconce Strong!

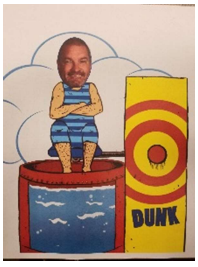
Fundraiser News! We surpassed our goal of $10,000.00!



We had 24% of our student population that participated in this fundraiser. We are thankful to all that contributed, shared and promoted Maconce Elementary. The benefits are for the entire school to enjoy on Field Day and in the future.

There will be more information regarding Field Day, the Water Slide and Dunk Tank in a separate note.

Currently, students have been enjoying Bubble Recess time, extra recess, and we are planning for pizza parties and other festivities.

As the weather is getting warmer and students are getting their summer clothes out, we need some reminders about what is appropriate for school:

Dressing for School /Dressing for Recess

1. Clothing should be non-offensive and decent. **Bare chests/midriffs, tank tops with spaghetti straps,** clothing with obscene language or symbols, and open-armed shirts are examples of inappropriate attire for school.

2. Sunglasses, sweatbands and hats are inappropriate attire in school.

3. **Appropriate footwear shall be worn at all times. (Flip Flops, and open toed sandals can be a safety issue on the playground).**

4. **Shorts and skirts should be mid-thigh in length or longer.**

5. Jewelry should be limited and may not be worn in Physical Education class.

6. Expensive pieces of jewelry should not be worn to school.

Please be sure your child is dressed to enjoy recess. Children will go outside for recess unless the temperature (including wind chill) is below 16 degrees. In addition, children will remain indoors for recess if the wind speed is above 26 mph. If a child is well enough to attend school, he/she is well enough to go outside. A doctor's note is necessary to excuse your child from outdoor recess.
