POSITIVITY PROJECT: THE MISSION OF THE POSITIVITY PROJECT (P2) IS TO EMPOWER AMERICA'S YOUTH TO BUILD POSITIVE RELATIONSHIPS AND BECOME THEIR BEST SELVES.

Why relationships? Because relationships are the cornerstone of health, happiness, and resilience...and (according to experts) many jobs of the future. That is why we are using lessons from P2 to help develop character that will inspire positive relationships (student-to-student and student-to-teacher) and cultivate a positive culture in our community. Ask your child about the P2 lessons and character traits they are learning in school.

READING CAN BE MAGICAL! Our reading goal this year is 5,000 books. If students read 5000 books school-wide by the end of the month, there will be a surprise reward. Our theme for this year's March is Reading Month is **Quench Your Thirst... Read a Good Book!** The PTG has purchased a copy of a surprise book to be sent home with your "oldest or only" elementary student in each family.

READING MINUTES TRACKER: We are sending home a fun game to complete over the next month. (March 1st - March 31st) Students will be given a Reading Minutes Tracker sheet. Each time a student completes a task, they move up a square. Parents initial each time 75 minutes have been completed. When the entire sheet is filled out, a parent or guardian signs the bottom and returns the sheet to their teacher. Each student will receive discounted ticket options at Jimmy John's field for completing their tracker. Reading Minute Tracker sheets can be turned in anytime by Tuesday, April 2nd.

SPRING BOOK FAIR will begin on Monday, March 4th through Friday, March 8th. March 4th and 5th teachers and students will view the book fair and write out their wish-lists. March 6th and 7th, are student buying days. Students will be able to purchase at the book fair on their buying day. An email showing when classes will visit the book fair went home last week. The Book Fair will be open Wednesday evening from 5:15-7:30 pm in the Library during the Coffee, Cookies & Crafts Event. Families can also shop Lighthouse's book fair online. Starting Monday, March 4th, Lighthouse PTG is hosting **Quarter Wars!** Classes in each grade level will team up against other grades. The top collecting grade will earn a special treat!

GREEN TEAM: Waste-Free Wednesdays

Lighthouse Green Team encourages packing waste-free lunches. Did you know that a person creates an average of 4.5 pounds of trash per day? By reducing the number of items in your lunch that must be thrown out, or only using those that can be eaten, reused, recycled, or composted, you can prevent pollution and conserve natural resources, save energy and reduce the need for disposal, be an environmental steward and make a difference in your environment and the environment of the future.

You can pack sandwiches, leftovers from dinner, fruits, veggies, juice, or anything that you think is healthy or waste-free. If you put items that need to be refrigerated in you're your lunch, such as mayonnaise, cold cuts, or cheese, be sure to include a reusable ice pack in your lunch box or bag. Make sure to eat only what you can eat, reuse, recycle or compost.

Thank you,
Lighthouse Green Team

PEANUT ALLERGY: Lighthouse currently has students who have been identified as having both Tree Nut and Peanut Allergy. This means that he/she would have a severe reaction to peanuts and all derivatives such as peanut oil, ground or nut spices. His/her reaction to these products may be life threatening. Therefore, no peanuts or nut products will be allowed in any of the affected classrooms.

Don't miss a school notification!

During a recent school cancellation, we found that several parents were not receiving text messages from the District notifying them of the cancellation. We checked the reports that are issued by "School Messenger" and found that many of the text messages (SMS) were being reported as BLOCKED. This means that when you received a text messages from School Messenger (number: 67587) during the initial set up, no response was sent back. School Messenger assumes that you DO NOT want text messages if they do not receive a response.

To correct this, please do the following: **If you would like to receive text messages from Anchor Bay School District, send a text message to (67587) with the words "opt in" or "subscribe" as the message.** If you are already receiving text messages from Anchor Bay School District, no further action is required. For more information, you can visit <https://www.schoolmessenger.com/txt>
