THE EDUCATION' PYRAMID

WHAT IS DUAL ENROLLMENT?

High school student

College courses/credit

Dual Enrollment is My Passion!

- ▶ Dual enrollment is a MISSION for me.
 - ▶ I was one of the very first sponsored DE students (1996-97)
 - ▶ Here's what I did with my DE credits...
-
- ▶ Dual Enrollment can do the same for you—and at little or NO cost!!

Dual Enrollment Facts

- ▶ Dual Enrollment is open to both public and non-public high school students.
- ▶ Funding determined by the state—public schools from foundation allowance, private schools by State directly.
- ▶ You can be sponsored for tuition, fees, and, depending on the school, possibly books. Students are responsible for any costs above the sponsored amount, and they can be sponsored for **10 courses** throughout grades 9-12.
- ▶ You can enter a 4-year college as “Freshman with Advanced Standing,” so ALL freshman scholarships are on the table!
- ▶ **It is the student’s right to do dual enrollment** under the Postsecondary Act of 1996. The school or district cannot withhold DE classes unless they provide a college course on-site, or the student doesn’t meet minimum test scores (English and Math ONLY.) Minimum contribution amount determined by formula.
- ▶ Students/Parents MAY also self-pay for spring/summer courses or courses exceeding the 10-course limit.
- ▶ Parents: Almost all courses are open to your student—choose carefully....and encourage them to file a FERPA form!
- ▶ There are ramifications financially if you fail a class—you must reimburse your district or school.
- ▶ Keep in mind—you are starting a college transcript and those grades travel with you from now on!**
- ▶ Don’t forget to send us any AP or IB passing scores—these count for credits and can speed your journey!

DUAL ENROLLMENT BENEFITS

- You're not "just a Dual Enrollment" student
- Access to Counseling and Academic Advising
- Many classes to choose from
- One-on-one with instructors
- Small class sizes
- Online, on campus, day/night

WHAT CAN I TAKE?

WHAT CAN'T I TAKE?

- Religion/theology classes
- Hobby/craft classes
- Physical education classes

200 PROGRAMS!
Choose from accounting to
welding & everything in between

Michigan Transfer Agreement

- ▶ We STRONGLY recommend MTA courses.
- ▶ **Michigan Transfer Agreement:** “block” of 30 credits that transfers to any Michigan public university (if you’re admitted there, C or better in each class, and complete ALL parts).
- ▶ If you know your 4-year of choice, check THEIR transfer website—you might be pleasantly surprised!
- ▶ Avoid “random acts of DE” by picking a pathway, completing the MTA, taking prerequisites for your 4-year college, extending your studies beyond AP*, or continuing at Macomb for your Associate’s Degree!
- ▶ Whatever course you choose, we will be monitoring students through Macomb Success Link and communicating with HS counselors, as FERPA makes this exception. (sorry parents, no PowerSchool!)
- ▶ If you stay with us, MTA progress continues...and all you need is one update form!
- ▶ <https://www.macomb.edu/resources/transfer-articulation/attachments/mta-course-list.pdf>

MICHIGAN TRANSFER AGREEMENT

English Composition

2 courses (choose one option)

Humanities & Fine Arts

2 courses

Mathematics

Parents—Reconnect!

- ▶ Anyone wish to take classes, alongside their student??
- ▶ Michigan Reconnect might make it possible.
- ▶ **Get started with Michigan Reconnect**
 - [Apply online for Michigan Reconnect](#). The application takes less than five minutes to complete and can be done on a mobile phone. If you are having difficulties on your mobile device, it is recommended to use a different browser or computer.
 - [Apply to a Michigan public community college](#). All public community colleges, including tribal colleges, in Michigan qualify.
 - [Submit your FAFSA](#). This is free financial aid provided by the federal government.
 - Enroll in an eligible program and start classes. You can enroll in any Pell-eligible skill certificate or associate degree program.

Process for Applying and Enrolling at Macomb Community College

- ▶ **Create admission account.** Apply to Macomb Community College as a **DUAL ENROLLMENT** student. Use a PERSONAL email account if possible.
- ▶ If sponsored, your HS counselor or school official completes a Dual Enrollment Sponsorship Form that specifies which classes will be taken and how much the district will pay. You won't see this, but you'll get a Principal's letter.
- ▶ Once you've applied, you'll get a confirmation email.
- ▶ 1-2 days later, when your application is processed you'll get another email with steps:
- ▶ **Complete New Student Orientation, 2 guided self-placement and Starting at Macomb (phone call)**
- ▶ Once you finish these "admissions steps," it takes about 4 hours to get your MyMacomb password.
- ▶ Set up MFA and CHANGE YOUR PASSWORD!
- ▶ **Students** are responsible for registering for classes—not the school or district. (and de-registering)*
- ▶ After you're signed up—you MUST use/check your new Macomb CC e-mail account regularly.
- ▶ Bookstore procedures—"I am a dual enrolled student from ..."
