- Emily Seal
 - brought up extending Beverly's term one more year as Treasurer so that next year only 2 new board members would come in (the thought was that 2 would exit and 2 would stay every year to have a more stable board)
 - By laws need to be updated this year so that they will reflect an oversight to the original by laws. The board vote will NOT be for a specific position. It will be for only who you would like to be on the board, then the board will decide which positions they would like to have. Emily will write the addendum.
 - Nominations for the 2 open positions will take place in April so that we can vote in May for the upcoming school year

- Jamie
 - Leap Frogs for leap day February 29th
 - One frog will be going home with all students
 - Class color frogs with numbers will be hidden around the entire school. Students can look for the frogs, but only teachers may touch them and collect 1 frog per class.
