

## The Till Card

Included in the price of the trip are meal allowances to pay for various meals. Your student will receive funds from Student Adventures to purchase these meals. Since cash is no longer accepted everywhere we travel, Student Adventures uses Till Cards to issue funds for meal allowances, rather than physical bills.

### If you have signed your student up for a Till Card:

1. **Activate the Till Card today** – If you have not activated your Till Card, please do so ASAP. The card must be activated at least 7 days prior to trip departure in order for Till to link your Till Card to the Student Adventures trip. Linking is the only way a tour director can send meal allowances to the card during the trip.
2. Fund your Till Wallet If you would like to send spending money to your student, using the Till Card is a great way to do this. Funding your Wallet and sending extra spending money is NOT REQUIRED for the trip and is up to your discretion. Instructions on funding were included when you received your card.
3. Student Adventures will send your student's meal allowance directly to their Till Card prior to each meal.
4. Students keep their Till Card and all leftover funds.

### If you did not sign your student up for a Till Card OR are an adult traveling with the group:

1. Students who do not have a Till Card and ALL Adults on the trip will receive a Loaner Card to receive meal allowances during the trip.
2. Student Adventures will send your student's meal allowance directly to the Loaner Card prior to each meal.
3. Loaner Cards must be returned to the bus leaders after the final meal to avoid a \$15 replacement cost.
4. Any remaining funds on the Loaner Card are forfeited, as the cards will be cleared and re-issued to future Student Adventures travelers.
