

Anchor Bay Middle School South

Feed the Bay Backpack Program

Registration Form

Program Information: The Woods Church has partnered with Anchor Bay Schools and the community to assist students that are “at risk for food insecurity” with the Feed the Bay Backpack Program. These students are provided with a nutritious hot lunch Monday through Friday, but not the weekends. The goal of the program is to ensure that every at-risk student in the Anchor Bay School District has access to food over the weekend, so that they show up at school on Monday, well-nourished and ready to learn. At-Risk students will receive a grocery bag full of non-perishable foods in their backpack every Friday.
