Dean A. Naldrett Mission Statement: Naldrett staff, in partnership with parents and community, will provide a positive, nurturing, learning environment in which students can achieve their full potential.

Principal's Corner

March is Reading Month! Back by popular demand....Naldrett Elementary will be participating in a special all-school book club to promote reading at home as well as at school. Our staff is very excited to bring back a community of readers and have fun with *Charlotte's Web* written by E. B. White. We are asking you to make family time and read together so your child can discuss the book in their classroom. "When the whole school reads a book, there's a lot to talk about!" There is nothing better than cuddling with your young ones and reading a good book together!

Happy Reading,
Mrs. Stephenson
