## *Pint Size Heroes!*

We would like to thank everyone for making our blood drive a GREAT success! We filled our schedule and had a waiting list as well! Our goal was to collect 32 pints of blood and we collected 40! 48% of donors were first-time donors! The blood collected can help 120 hospital patients.

Thanks to everyone who volunteered their time to help this wonderful cause. Thank you, also, to our Student Health Team for their time and assistance during the drive.

## *Naldrett Family Does a Service*

Air Force Jr. ROTC member Ashley Austin, a former Naldrett Student, launched "Operation: New Haven Food Pantry" in November. With the help of her parents, Ashley wrote a letter that she and her family delivered to 170 homes in her neighborhood. In the letter, she requested donations for the New Haven Food Pantry. The next Sunday, they walked past everyone's porch to collect the donations. They collected over four wagons full of food, estimated to be worth at least \$500. Ashley also had the help of her sister, Lauren, who is a 4th grader at Naldrett, and her brother Rob, age 4. What a wonderful effort!
