Class Name	Grade Level	Dates	Times	Cost	Details	Description
Coloring Club Instructor Jessica Geldhof	Incoming 3 rd - 5 th grade	June 11 & 13, 18 & 20, 25 & 27	Session 1: 12-1pm Session 2: 1-2pm	\$30/ session	Classes held at Middle School South https://gofan.co/ event/1416101? schoolId=MI89886	Coloring directs focus and allows an escape from outside distraction and stressors. It can also help sharpen skills such as fine motor and attention to detail. While combining this with calm music, it can create a small personal environment for a student to relax and focus and can translate into more productivity. All students will be provided with colored pencils and their own detailed coloring book to keep!
Automotive Boot Camp Instructors: Nick May Lori Woolm	Incoming 6 th - 8 th grade	June 12 or June 13	9 - Noon	\$10	Classes held at Middle School South https://gofan.co/ event/1416102? schoolId=MI89886	Everybody loves the fun and freedom a car can provide. With that freedom comes the responsibility to maintain that vehicle so that you can depend on it to be ready to go when you turn the key in the ignition. This summer's Automotive technology class will focus on hands-on vehicle preventative maintenance and simple inspections you can do to keep your car safe and ready to take you where you want to go. You will learn: <ul style="list-style-type: none"> • To check your vehicle's fluids • To inspect the air filtration systems for the engine and the cabin compartment • To monitor vehicle tires for wear and proper air pressure • To use your secondary (AKA spare) tire • How to safely "jump-start" a car with a "dead" battery
