Ashley Families,

We have approached the end of the year, and our Ashley All Stars are busy completing assessments and looking forward to our upcoming field trips, Ashley Aloha Days, Field Day, and end of the year celebrations. Please keep an eye out for all events listed on our school website. Our Ashley students continue to impress, as they participate in their daily P2 Lesson. The Positivity Project not only helps us to build character but has also allowed our student body to reflect on their actions with peers. This year our students have truly embraced the meaning of #otherpeoplematter.

We would like to thank all our volunteers this year for their donations, time, and effort in making both our learning and our school events successful. We would like to thank our PTG for hosting our annual ice cream social. This event was a remarkable success and was a wonderful opportunity for families to connect with one another. Our fundraising throughout the year allows our PTG to put on events like these, without costing our families. We were happy to provide ice cream sundaes and smiles for everyone!

As you may already know May 8<sup>th</sup> begins Teacher Appreciation Week. Ashley Elementary has true All-Star Teachers. We appreciate their ongoing dedication, and the love for learning they instill in all of our students! We look forward to honoring them during this special week. Anchor Bay Schools will be offering both Summer School and enrichment courses throughout the summer. Please keep your eye out for upcoming registration information and links. Please contact our office if you have any questions or need assistance. Again, we thank you for your partnership and for sharing your children with us each day.

Have a Wonderful & Restful Summer,

Mrs. VanHulle
