Dear Anchor Bay Families,

Starting today, May 1<sup>st</sup>, our school buses will have cameras in operation. The cameras will be used to monitor student behavior to and from school or extracurricular activities. The footage will be used only to promote the order, safety, and security of students, staff, and property.

This security upgrade was made possible by the passing of our latest bond. A major component of the bond was improving the safety and security of our students and staff. We thank our community for their continued support of the school district while we make Anchor Bay a great, and safe, place to go to school.

Sincerely,

Phil Jankowski
