### NOTES FROM THE PRINCIPAL

Dear Ashley Parents,  
The Ashley Staff is excited to share in our building wide Kindness mission, spreading holiday cheer as we engage with one another and our community.

As the holiday season is upon us the Ashley All Stars are working diligently to show kindness. We would like to thank everyone who contributed to our Green Team Coat Drive. Our Ashley Community donated over 100 coats to families in need through the Greater Morning Star Organization of Macomb County.

Our students are continuing to collect new books for our Make A Difference Day – An Anchor Bay Christmas Event. The book count continues to grow and our students are taking pride in their ability to help others!

Our Student Council is getting ready to board The Gratitude Attitude Bus- Positivity Project in Motion. Students from every grade level have created holiday cards that will be delivered around the community in hopes of spreading kindness. Mrs. Bergeron, Mr. Studley and Mr. Materazzi will accompany our Student Council as they sing Christmas Carols to East Harbor, and deliver Holiday Wishes to our fire station, police department and other locations within our local community.

Ashley Elementary continues to work towards academic excellence students will be engaging in Winter NWEA as they return from the holiday break. We will be offering both academic enrichment courses as well supplemental after school programming through Designing Science. Please keep an eye out for information to come.

*The Ashley Staff wishes you a Healthy and Happy Holiday Season!*

*We thank you for sharing your students with us and hope the break allows you to make meaningful memories with your little ones!*
