

Compass Pointe Families,

Communication# 1-September 22,2023

We hope your first few weeks of learning are off to a great start. We have lots of information to share to help you navigate the coming weeks. We follow all the same policies as ABHS.

The main school doors will open at 6:30 a.m. Also, the North and South entrance doors open at 6:40 a.m. and will be locked by 7:15 a.m., after that time, all students need to enter through the Main Entrance (door #1) and check in through the Counseling Office. Please keep in mind, student drop-off and pick-up are at the north and south entrances, not in the front of the building.

On Monday we will welcome our new teacher Mrs. Black. Her email is **kblack@abs.misd.net**

### **DRESS CODE POLICY**

Please note the following dress code policies that will be enforced. Hats, hoods, headbands, any head coverings or sunglasses; • Students must wear tops that cover the shoulders and fit around the arms and waistlines; No tank tops, bare midriff, or backless tops; Transparent tops; or loose-fitting or low-cut tops that are revealing; • Short shorts and skirts that are shorter than fingertips; • Students shall not wear clothing items that contain messages that are vulgar, offensive, obscene, or libelous; that denigrate others based on race, color, religion, creed, national origin, gender, sexual orientation, or disability; that promotes alcohol or drug use or violence or gangs; or that is otherwise contrary to the school's educational mission.

### **Attendance**

**One hundred percent (100%) attendance** is expected for all students in the credit recovery program. Good attendance and motivation often result in a successful classroom experience. Students who accumulate (5) absences during a session could result in being dropped from the program and loss of credit. After the second unexcused absence a call and letter will be sent home. After the fourth absence a call home and a letter will be sent. The fifth absence will require a parent/student and administrator conference to discuss an attendance plan or withdrawal from the program.

If your student is absent please call 586-725-2205 or email Mrs. Carlson at **acarlson@abs.misd.net**

## Cell Phone Policy

Students caught using the video or camera capabilities during the school day without prior approval of the administration, teacher, and or staff member will be subject to discipline up to suspension from school. The administration reserves the right to accelerate consequences, as necessary. **Cell Phones are becoming an issue within the Compass Pointe learning environment.** Students need to be active, listening and participating within their classes. If your student is having issues with their phone, please know that they can be asked to power it off and put it away. If they fail to adhere to the cell phone policy suspension or further consequences may occur.

## Edgenuity/E2020

We wanted to inform you that the Edgenuity system is a 7 day a week 24-hour system. Your student can access the system at any time at home and work on their courses. They must take the exam for the course in person here at Compass Pointe. This is a great way for the students to stay caught up and on track to earn all of their credits each Session.

## Sleeping through Class

If your student is sleeping during class time we will send them home for day. We are here to be successful and earn our credits. Unfortunately, this is becoming a problem with some of our students.

## Picture Retakes

September 29, 2023 all students are required to have their pictures taken for a student id. Please make sure your student is in attendance on this day.
