ANTI-BULLYING / CONFLICT POLICY

The Anchor Bay School District Board of Education prohibits acts of harassment or bullying. The board of education has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards. Harassment or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe environment. Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of administrators, faculty, staff and volunteers to provide positive examples for student behavior. Anytime something negative happens at school, it is often blamed "bullying". The number one reason this happens is because lack of education on what bullying really is and what bullying is not. Conflict is a disagreement of a difference of opinion or interests between equals. Conflict may be an inevitable part of school life, but bullying is not. Every situation involving harassment, bullying or conflict are unique and involve different responses for each scenario.

Bullying

Anyone who repeatedly uses physical, verbal (including spoken and or written language) and/or cyber forces in a negative manner toward or in regard to another person over an extended period of time.

Verbal Bullying

Repeatedly using negative and /or damaging words (including both spoken and written) toward or in regard to another person (with malicious intent), over an extended period of time.

Cyber Bullying

Using social media, email or electronic devices in a negative manner toward or in regard to another person over an extended period of time. **Cyber bullying becomes a school matter when the educational process is disrupted due to comments/texts/posts and/or are made directly upon a school.**

LOCKERS

SEARCHES OF PUPIL'S LOCKERS AND LOCKER CONTENTS

LOCKERS ARE SCHOOL PROPERTY: All lockers assigned to pupils are the property of the school district. At no time does the school relinquish its exclusive control of its lockers. The public school principal or his/her designee shall have custody of all combinations to all lockers of locks. Pupils are prohibited from placing locks on any locker without the advance approval of the public school principal or his/her designee.

A student's failure to allow searches and seizures as provided in this policy will be considered grounds for disciplinary action. A student's personal effects (e.g., purse, book bag, athletic bag) will be searched whenever a school official has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials. If a search yields illegal or contraband materials, such findings will be turned over to the proper legal authorities for ultimate disposition. **The school reserves the right to use the police department and their canine unit to search the premises for illegal substances at anytime.**

NOTICE OF POLICY

A copy of the local school Board policy regarding lockers searches shall be made available annually to each pupil and parent/guardian or the pupil assigned a school locker.

Approved: January 24, 2001 Board Meeting

LEGITIMATE USE OF SCHOOL LOCKERS

The school assigned lockers to its pupils for the pupils' convenience and temporary use. Pupils are to use lockers exclusively to store school-related materials and authorized personal items such as outer garments, footwear, grooming aids, or lunch. Pupils shall not use the lockers for any other purpose, unless specifically authorized by school board policy or the public school principal or his/her designee, in advance of pupils bringing the items to school. Pupils are solely responsible for the contents of their lockers and should not share their lockers with other pupils, nor divulge locker combinations to other pupils, unless authorized by the public school principal or his/her designee.

SEARCH OF LOCKER CONTENTS

Random searches of school lockers and their contents have a positive impact on deterring violations of school rules and regulations, ensure proper maintenance of school property, and provide greater safety and security for pupils and personnel. Accordingly, the board authorizes the public school principal or his/her designee to search lockers and locker contents at any time, without notice, and without parental/guardianship or pupil consent.

The public school principal or his/her designee shall not be obligated, but may request the assistance of a law enforcement officer in conducting a locker search. If a narcotics canine unit indicates a locker, that in itself gives the school authority to enter. The public school principal or his/her designee shall supervise the search. In the course of a locker search, the public school principal or his/her designee shall respect the privacy rights of the pupil regarding any items discovered that are not illegal or against school policy and rules.

To maintain order and discipline in the schools and to protect the safety and welfare of students and school personnel, school authorities may search a student, student lockers and desks under the circumstances outlined below and may seize any illegal, unauthorized or contraband materials discovered in the search. Student lockers and desks are school property and remain at all times under the control of the school district; however, students will assume full responsibility for the security of their lockers and desks. Students should not expect privacy regarding items placed in school property because school property is subject to search at any time by school officials. School authorities for any reason may conduct periodic general inspection of lockers and desks at any time without notice, without student consent and without a search warrant.

SEIZURE:

When conducting locker searches, the public school principal or his/her designee may seize any illegal or unauthorized items, items in violation of board policy or rules, or any other items reasonable determined by the public school principal or his/her designee to be a potential threat to the safety or security of others. Such items include, but are not limited to the following: firearms, explosives, dangerous weapons, flammable material, illegal controlled substances or controlled substance analogues or other intoxicants, contraband, poisons, and stolen property. Law enforcement officials shall be notified immediately upon seizure of such dangerous items, or seizure of items that schools are required to report to law enforcement agencies under the Statewide School Safety Information Policy. Any items seized by the public school principal or his/her designee shall be removed from the locker and held by school officials for evidence in disciplinary proceedings and /or turned over the law enforcement officials. The parent/guardian of a minor pupil, or a pupil eighteen (18) years of age or older, shall be notified by the public school principal or his/her designee of items removed from the locker.

BACKPACKS

Students will be required to leave backpacks and other unnecessary items in their lockers. Teacher required classroom materials are the only items students may bring to class.

TRANSPORTATION GUIDELINES

INFORMATION FOR A SAFE AND ORDERLY TRANSPORTATION SYSTEM

The purpose of this information is to provide students, parents/guardians with information about the Anchor Bay School District Transportation System. State of Michigan Public Act 187 and along with the Pupil Transportation Act outlines the law that all school districts follow. A copy of P.A. 187 is available for review during regular office hours in the Transportation Department. Anchor Bay School's transportation guidelines and safety rules are also included in this guide.

School bus transportation is provided only for eligible students and shall be considered a **PRIVILEGE**. Students are to accept responsibility for their own personal conduct. ***Law does not require transportation for general education students to and from school.*** Please take the time to read the following guidelines to protect your transportation privileges.

Bus stop Etiquette;

- Students should be at the bus stop 5 minutes before scheduled pick up time. Earlier arrival may pose behavior problems as a result of lack of supervision.
- Parents are responsible for getting their student to and from the bus stop & their behavior while at the bus stop.
- While waiting for the bus, students should remain in the assigned area. Congregating in unassigned areas, such as lawns or driveways or private property, may result in resident complaints.
- Please take care not to litter while waiting and be considerate of residential & business property.
- Please keep noise to a minimum so as not to disturb area residents
- For parents arriving to bus stops in cars, please do not block driveways or park in such a way to impede the bus as it continues on the route.

Bus Routes & Bus Stops:

Safety is an important factor in transporting Anchor Bay Students. The following information will make pupil transportation legal, safe and successful.

- Bus stops and bus routes are established on the basis of safety, efficiency, and the age of students. State of Michigan law states, Buses shall be visible in both directions when stopped, (400 ft. visibility) and bus stops shall be at least 200 ft. apart. Not all stops are door to door. High School, Middle School and Elementary bus stops are centrally located. Exception is made with Main road stops, but it may be required that students combine a stop to keep in the 200 ft. legal requirement.
- Students should arrive at the bus stop five (5) minutes prior to the scheduled arrival of the bus. Running for the bus as it is departing is extremely dangerous, placing the student out of view of the driver's visibility
- The Transportation office reserves the right to change bus stops and routes when necessary. Students and parents will be notified of these changes.
- Parent cooperation is required to make sure the students ride the buses to which they are assigned. This will assure that the school and transportation office will have accurate counts and identification of students if an emergency situation arises.
- Walking distances and bus routes may be adjusted temporarily if necessary by reason of unsafe or impassable roads.

School Bus Safety;

- Wait in an orderly fashion at least ten (10) feet from the edge of the roadway.
- Cross only in front of the bus with driver instructions.
- Hang onto the handrail when entering or exiting the bus.
- Middle School and Elementary students have assigned seats on the bus
- ***Sit in assigned seat and remain seated until the bus stops completely.***
- Observe the same conduct as in the classroom
- Cooperate with the driver; the driver has the right to assign seats accordingly.
- Fighting & horseplay will not be tolerated. **HANDS OFF POLICY.**
- Be courteous to all, no inappropriate language or gestures.
- Keep the bus clean.
- Students will be financially responsible for any damage they may cause to the bus.
- Keep head, hands, feet, or any objects in the seat, not in the aisle or out the window.
- No oversized objects may be transported. All items brought on the bus must be secured in the students lap.
- No live animals, sporting equipment must be kept in an appropriate bag, skateboards, roller-skates or blades, balloons may not be transported.
- Do not touch any bus mechanisms, or switches, supplies, this includes emergency windows, doors or hatches unless instructed to by the driver.
- No eating or drinking on the bus. All buses are posted as a Peanut Allergy bus.
- Possession of illegal substances, weapons or obscene material is not permitted.

- Realize that any driver distraction is potentially hazardous to the safety of all passengers.
- Students must have written permission from a parent/guardian and endorsed by the school to ride home with another student or exit another bus stop that is not the student's assigned stop.
- Bully or taunting of any student will not be tolerated

Bus Conduct Reports;

Bus conduct reports will be issued for infraction of bus rules or safety. It is the students' responsibility to submit the Bus Conduct Report to parents for review and signature and return to the driver. **Any financial restitution must be made before bus riding privileges are reinstated.**

Middle School & High School students

- (1) Written warning, depending on the severity of the incident, this step may progress to a suspension.
- (2) Five (5) days
- (3) Ten (10) days
- (4) Suspension of bus riding privileges for the remainder of the school year. (It is possible that Transportation may be suspended into the following school year)

Additional:

All students are assigned to the bus stop based on home address. If you require a different stop, an "Alternate Bus Form" must be obtained either at the school, online or in the Transportation office.

The criteria are as listed;

- Child care arrangements must be within the same school's boundary
- Child care arrangement must be for all five (5) days.
- The alternate stop must be an existing stop on a bus run
- If the request is for a noon time kindergarten stop, the stop requested must be within the a.m./p.m. attendance area for that school.

You will be notified by the Transportation Office when your request has been filled. Do not change your stop location until the Transportation Dept contacts you.

Approved request will result in your child's assignment to the alternate address. If your child should need to change back to the home address Contact the Transportation Office and allow up to 3 days for the change to become effective, again you will be notified.

B = 83 – 86
B- = 80 – 82
C+ = 77 – 79
C = 73 – 76

8th Grade – 15% of semester grade
H. S. Credit Courses (Algebra I & Spanish)
– 20 % of semester grade

CITIZENSHIP

O Outstanding
S Satisfactory / Good
N Need Improvement
U Unacceptable

CR = Credit
NC = No Credit
I = Incomplete

An "I" for incomplete may be assigned temporarily at the close of any marking period if a student's work for the period has not been completed. Within two weeks after the beginning of the next marking period all missing work and tests must be complete and a grade assigned or the incomplete becomes an "F" grade. The classroom teacher is responsible for deciding the importance of the assignment, correcting tests/examinations, and assigning all grades.

Students and parents are encouraged to talk with the teacher if questions about grades or assignments arise. Each instructor is available to provide help with assignments or to talk with students and parents. Please call the school office at the middle school to determine when the teacher is available.

REPORT CARDS

Report cards are issued to students four (4) times a year. The report cards are an indication of a student's academic performance [Letter grades A through F].

Student citizenship is placed on the report card with other information regarding indications of student progress, specific problems, and absence/tardiness records.

PROGRESS REPORTS

Progress reports will be given to students following the fourth week of each marking period. These are not intended to be report cards. They are used to inform you of the following situations:

1. The student is improving and/or positive behavior which the teacher wishes to recognize.
2. The student is doing poor or failing work.
3. The student has a behavior problem, and because of their actions, their work is being affected or affecting the work of others.

PROMOTION AND RETENTION

Students are eligible for promotion based upon successful completion of all classes. A student failing two or more classes may be in jeopardy of retention or summer school replacement.

HOMEWORK

Homework will be assigned in many of the classes. Students are responsible for doing assigned work even though they have been absent. It is the student's responsibility to find out what assignment's he/she has missed and to see that the work is completed.

All students are expected to do all assigned homework to be submitted for full credit on the due date specified by the instructor.

PARENT PORTAL

<https://ps.abs.misd.net/public/>

Parent involvement is crucial to student academic success. The Parent Portal is a tool for you to stay informed and engaged in your child's education. The Parent Portal gives parents and guardians access to:

- View your child's grades and transcript
- See your child's schedule
- Monitor your child's attendance
- Communicate with your child's teachers
- Stay current on homework, projects and deadlines
- View contact information

STUDENT ATTENDANCE

Michigan law requires that whoever has custody or charge of any child between ages 6 and 18 (unless the child has already completed high school graduation requirements) shall assure that the child attends public school during the entire school year. Michigan law requires that the student's attendance be continuous and consecutive for the school year fixed by the school district.

Truancy

When it appears that absences are excessive (normally 10 days for the school year) without acceptable reason, the Macomb county Attendance Officer and the Probate Court system will be notified.

ABSENCES

For every absence, the student's parent or guardian must present information to the school explaining the reason for the absence. We prefer this information to be called into the school office by 10:00 a.m., the day of the absence. If this is inconvenient, a note signed by the parent or guardian must be presented to the office on the day of the student's return. Absences, which are not explained by parents within 24 hours, are unexcused. Acceptable reasons for absences:

1. Medical Reasons
Excessive absences require a doctor's note
2. Bereavement - to attend a funeral
3. Family Vacation or Religious Retreat

If a student has excessive absence or tardies without good cause, a referral to the county attendance officer will be arranged.

If an absence is school related, it will not count against the student, ie: field trip, award presentation, etc.

UNEXCUSED ABSENCES

Students whose parents have not called to excuse them should report to the Office with their note. If parents have not called in and students have failed to bring in a note, they will be considered unexcused. After two (2) or more unexcused absences per marking period, make-up privileges for work or tests missing could be denied.

REQUEST FOR LEAVE OF ABSENCE

If parents find it necessary to take students out of school for an extended period, a Request for a Leave of Absence form should be obtained from the office. The form should be properly completed by the parent and teachers at least two (2) days before the leave is to begin. Homework is expected to be completed upon return.

MAKE-UP WORK

Students are allowed one (1) day for every day absent in order to make up their work. Students have the responsibility of asking the teacher for their work when they return to school. To receive passing grades, all work needs to be complete. Long term assignments/projects will be due upon the students return.

HOMEWORK REQUESTS

Students absent for three (3) consecutive days or less will obtain missed assignments from teachers upon returning to school. If you know your child will be absent four (4) or more consecutive days, you may call the school on the third day to request his or her work. Work can be picked up twenty-four hours after the request is made. Please call ahead to determine if make-up work is available.

LEAVING SCHOOL DURING THE SCHOOL DAY

A pupil, having reported to school, is not to leave before the regular closing time without permission from the office. If parents or legal guardians wish the pupil dismissed during the school hours, they should communicate in writing with the Assistant Principal's office. Dismissals without permission are recorded as truancy [skipping school] and leave the pupil subject to disciplinary action. When you pick up your child for an early dismissal, please remember to sign him/her out in the office after showing a picture id.

END OF THE DAY

Students should leave the building at the end of the school day unless they are in a conference with a teacher, participating in club activities, participating in the athletic program, or staying for after school detention. Students are not allowed to WAIT in the building for detention to end. This will result in a detention being assigned. STUDENTS NEED TO PREARRANGE A RIDE HOME AFTER DETENTION. TELEPHONES MAY NOT BE AVAILABLE.

TARDINESS

Tardiness to school means not being in your assigned seat for 1st hour class, when the bell rings at the beginning of the class. Classroom tardiness means not being in your assigned seat when the bell rings for the beginning of the class. To avoid being marked tardy, report to class on time or obtain permission to be late from the teacher that is expecting you. If another teacher causes you to be late, he or she will give you an excused pass. If you are more than 10 minutes late in arriving at school, a late slip must be obtained in the office. THERE ARE NO EXCUSED TARDIES FOR 1ST HOUR.

CLASSROOM TARDINESS FOR SEMESTER CLASSES

1ST AND 2ND TARDY	RECORDED BY TEACHER
3RD TARDY	A TEACHER WILL GIVE A REFERRAL TO THE STUDENT TO TAKE HOME AND RETURN THE NEXT DAY WITH A PARENT/GUARDIAN SIGNATURE
4TH TARDY	A DETENTION WILL BE ASSIGNED
5TH TARDY	TWO (2) DETENTIONS WILL BE ASSIGNED
6TH TARDY	TIME OUT OF SCHOOL FOR THE DAY
7TH TARDY	TIME OUT UNTIL A PARENT CONFERENCE IS HELD AND A BEHAVIORAL PLAN IS CREATED.

Tardiness is extremely disruptive to the education process of not only the offending student, but also the class and teacher. Students exceeding this level are subject to disciplinary action up to and including time out or parent supervision at school at the discretion of the principal.

STUDENT SERVICES

GUIDANCE AND COUNSELING

The objective of the guidance program is to aid students in making an easier and more satisfactory adjustment to life. During the school year personal, educational, or social problems may arise. You are encouraged to talk over your problems with the Counselor and take advantage of their help. Students with a counseling appointment should enter the counselor's office with their pass.

OFFICE PROCEDURES

When coming to the office, please indicate to one of the office secretaries why you are there. This will save time and get you back to class as soon as possible. You are to remain in the waiting area until permission is granted to enter the work area.

TELEPHONES

Students may use the office telephone to report illness or emergencies only. Students must have a pass from their teacher before coming to the office. Please ask before using the telephone and fill out the telephone log in the office.

LOST AND FOUND

It is important that any lost item of value be reported to the Office. Many items are thrown away or given to charity at the end of the 10-week period.

DISCIPLINE

One of the most important lessons education should teach is discipline. While it does not appear as a subject, it underlies the whole educational structure. It is the training that develops self-control, character, orderliness, and efficiency. It is the key to good conduct and proper considerations for other people. With an understanding of the purposes of discipline in a school, you may form a correct attitude toward it, and not only do your part in making your school an effective place of learning, but develop the habit of self-discipline which will make you a better person.

For the safety and welfare of all middle school students, these policies apply while you are in school, going to and from school, or at any school activity. Violations of these policies and rules will result in disciplinary action. Students may also be subject to disciplinary action if misconduct occurs out of school and has a direct adverse impact either on school discipline or on the general safety and welfare of staff or students.

Discipline will be imposed upon students who violate the rights of others. Should another student exhibit improper behavior toward you, contact the nearest staff member for assistance. This problem will be brought to the principal or assistant principal's attention at once. Physical retaliation (fighting) is not permitted for any reason. Fighting will result in removal from school.

In an effort to encourage positive changes in behavior, a student's past disciplinary record will be considered as it relates to future misbehavior.

DETENTION

An after school detention is an extension of the school day. It is the student's responsibility to notify parents of the date and time of their detention.

Students may be detained at the discretion of the instructor or building administrator as a disciplinary action or for the purpose of make-up work. Students will be given at least one (1) day prior notice so that transportation or other arrangements can be made. Transportation arrangements are the responsibility of parents and/or students. The detention period will last no longer than 55 minutes.

Student responsibility – Missed detention will be reassigned with two detentions added to the one missed. Failure to attend the reassigned days will result in a time out from school.

TIME OUT OF SCHOOL

A student who has been timed out will not be allowed to participate in or attend any school activities, or be on school property during the timed out period without parent supervision. A conference with the parent, the student, and an administrator may be necessary before the student is allowed to return to school.

When a student is timed out, parents will receive a letter. School work missed during a time out may be made up.

MISCONDUCT AND APPROPRIATE DISCIPLINARY ACTION

All offenses are cumulative and progressive. If students are transferred from one building to another during one school year, it will be considered one school assignment.

MISCONDUCT IS AN ACT WHICH DOES OR MAY INTERFERE WITH THE EFFICIENT OPERATION OF THE SCHOOL:

STUDENT CODE OF CONDUCT EQUAL OPPORTUNITY

The Michigan Constitution (Article 8, Section I) assures all students the right to a free public education: "Religion, morality and knowledge being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged."

At the same time, both federal and state legislation assures students of their right to pursue this education in a system, which provides equal opportunity for each learner.

- Title VI of the Civil Rights Act of 1964 assures all citizens that they will not experience discrimination on the basis of their race or ethnic origins.
- Title XI of the Civil Rights Act of 1964 assures students that they will not experience discrimination on the basis of their sex.
- Section 504 of Public Law 94-142 (Vocational Rehabilitation Act of 1973) assures students that they will have equal opportunities regardless of handicapping conditions.

It is the policy of the Anchor Bay School District to provide equal opportunity for all students, regardless of race, color, creed, handicap, religion, sex, ancestry, national origin, place of residence within the boundaries of the District, or social or economic background, to learn through the curriculum offered in this District. Any student who believes that they have been subject to discrimination should contact the Superintendent's Office.

RESPONSIBILITIES OF STUDENTS

With these rights come responsibilities. The Common Goals of Michigan Education (1971) identifies these general responsibilities of students:

- The rights of the individual at times are limited by the greater need to protect the rights of the group and the instructional process
- Further rights of the individual end where they conflict with the rights of others.
- A person who violates the rights of others or fails to properly carry out his/her responsibilities can expect to suffer some loss of his/her rights.

For that reason, the Board of Education of the Anchor Bay School District has established through its policies and administrative directives the following Code of Conduct for all students.

RESPONSIBILITY FOR A SAFE AND ORDERLY SCHOOL ENVIRONMENT

To create an environment, which promotes learning, every member of the school community must work together. The ultimate responsibility for student conduct rests with the student and parents. Parents are responsible for the behavior and attitudes of their children. Teachers, administrators, counselors and staff deal with such problems to the extent the student will accept their help and authority.

When efforts fail or are not accepted by the student, parents must then deal with their child in whatever way is necessary to insure proper respect for school authority and acceptable behavior on the part of their child. The District policy manual states:

"Respect for the law and for those persons in authority shall be expected of all students. This includes conformity to school rules as well as general provisions of (state and federal) laws as they relate to students and staff. Respect for the rights of others, consideration of their privileges, and cooperative citizenship shall also be expected of all members of the school community."

The policy manual further states:

"Respect for real and personal property, pride in one's work, achievement within the range of one's abilities, and exemplary personal standards of courtesy, decency, and honesty shall be maintained in the schools of this District."

To accomplish these goals, students are expected to work to obtain the highest achievement possible in their studies, contribute to the schools' safe and orderly environment, and respect the rights and property of others. School staff is expected to encourage and work to maintain the highest standards of conduct in the schools by publishing and enforcing consistent rules of conduct and supervising activities. As partners in the educational process, parents are expected to reinforce the school's standards of conduct and disciplinary procedures at home and encourage their students to attend school regularly.

ANTI-BULLYING POLICY

The Anchor Bay School District Board of Education prohibits acts of harassment or bullying. The board has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards. Harassment or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe environment. Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of administrators, faculty, staff and volunteers to provide positive examples for student behavior.

CATEGORIES OF MISCONDUCT

The Board of Education has established standards of behavior in school or on school district property, on school buses, and at school activities. These standards of behavior also apply when a student's conduct any other time or place has a direct and immediate effect on maintaining order and discipline, or on protecting the safety and welfare of students or school district staff. Misconduct is defined as any action which

- does not conform to reasonable standards of socially-acceptable behavior,
- does not respect the person or property of others,
- does not preserve the order necessary to the educational program of the school,
- does not respect the rights of others, or
- involves disobedience to duly constituted authority or disrespect for those who hold that authority.

ACTS OF MISCONDUCT MAY FALL INTO THE FOLLOWING CATEGORIES

MINOR INFRACTIONS MAY INCLUDE BUT ARE NOT LIMITED TO:

1. Lack of cooperation.
2. Violation of school/cafeteria rules.
3. Shoving, tripping, horseplay, or other actions that endanger the safety of others.
4. Indirect, improper language (profane, indecent or immoral).
5. Failure to provide required information to school authorities (example: emergency card)
6. Unauthorized sale of products on school property.
7. Unauthorized distribution or posting of communicative materials.
8. Participation in unauthorized assemblies of students
9. Use of another student's planner.
10. Outside building during school hours.
11. Leaving campus during school hours.
12. Disrespectful behavior.
13. Violation of the Computer Use Policy
14. Standing on the cafeteria tables
15. Students found in unauthorized hallway where they have no immediate class

POSSIBLE DISCIPLINARY ACTION FOR MINOR OFFENSES:

Since parents and school personnel share the responsibility for supervising student behavior, every effort will be made to keep parents informed of the nature and frequency of minor offenses. Disciplinary action for minor offenses will be progressive, relate in kind and degree to the infraction, help the student learn to take responsibility for actions, and be directed, wherever possible, to minimizing the harm that may have been done by the infraction.

Actions may include all or part of the following:

1. 1st offense 1 Detention
2. 2nd offense 2 Detentions
3. 3rd offense 1 day suspension
4. 4th offense 2 day suspension
5. 5th offense 3 day suspension
6. 6th offense 4 day suspension
7. 7th offense 5 day suspension

ABSENCE AND TARDINESS

Regular attendance at required school activities and classes is essential to successful achievement of the goals of education. It is the student's responsibility to attend class regularly. Reasons for excused absence include:

- a) Illness,
- b) Required medical or dental treatment that cannot be scheduled at another time –***a medical note from the doctor, with specific dates is required in order to receive an excused absence.***
- c) Required court attendance-documentation required
- d) Death in the immediate family or a family friend – documentation required
- e) Observation or celebration of a bona fide religious holiday.-documentation required

Parents or guardians must provide documentation of reasons for all absences to the school immediately following the absence. Students may be required to make-up missed work at alternative times (1 day make-up for each day excused) or to demonstrate their competence through examinations for repeated absences; failure to do so may result in reduction of grade, denial of grade or failure to achieve promotion. Absences, which are not explained by parents within 24 hours, are unexcused. A daily list of unexcused students will be posted in the office. Students should check this list to ensure that their absence was properly excused. Students with greater than the number of unexcused absences specified in the student handbook may be denied a passing grade for the class in which they have exceeded the allowable unexcused absences. Detentions, and out of school suspensions will be assigned for multiple tardies.

TARDY PROGRESSION/CONSEQUENCES

The following action will be taken upon a student's tardy arrival to class:

- 1st Tardy = Teacher warns student
- 2nd Tardy = Teacher notifies parent by phone or mail
- 3rd Tardy = Teacher assigns detention
- 4th Tardy = Teacher assigns double detention and Teacher refers to administration
- 5th Tardy = 1 day out-of school suspension

Subsequent tardiness will receive the same consequence as the 5th tardy.

The following action will be taken upon student unexcused absences:

- 1st Offense = Parent notified
- 2nd Offense= Parent notified
- 3rd Offense = Parent notified

SEARCH AND SEIZURE

To maintain order and discipline in the schools and to protect the safety and welfare of students and school personnel, school authorities may search a student, student lockers, desks, vehicles, purses and athletic bags under the circumstances outlined below and may seize any illegal, unauthorized or contraband materials discovered in the search. Student lockers and desks are school property and remain at all times under the control of the school district; however, students are expected to assume full responsibility for the security of their lockers and desks. Students should not expect privacy regarding items placed in or on school property because school property is subject to search at any time by school officials. School authorities for any reason may conduct periodic general inspection of lockers, desks and vehicles at any time without notice, without student consent and without a search warrant. The District reserves the right to use the police department and its canine unit to search the premises for illegal substances at any time. A student's failure to permit searches and seizures as provided in this policy will be considered grounds for disciplinary action. A student's person and/or personal effects (e.g., purse, book bag, athletic bag or vehicle) may be searched whenever a school official has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials. If a properly conducted search yields illegal or contraband materials, such findings shall be turned over to proper legal authorities for ultimate disposition.

STUDENT PUBLICATIONS

The Board of Education recognizes that student publications enable students to learn the rights and responsibilities of the press in a free society. The Board is mindful that publications sponsored by the District must be available to all students who attend and, therefore, must be suitable for all students. Issues, which reflect opposing points of view, may be included in school publications, providing that equal opportunity has been provided to present alternative views.

The Board reserves the right to prevent distribution of student publications which:

- Are prejudicial to any group
- Libel any persons or persons
- Seek to establish any religious denomination or sect,
- Advocate any substance which may be reasonably believed to endanger the health of students,
- Contain obscenity or material which violates the standards of the community, or
- Incite violence, advocate use of force, or urge violation of law or school regulations.

The Board also prohibits publications which:

- Fail to identify the student or organization responsible for their publication,
- Solicit funds for non-school organizations without Board approval, or
- Promote, favor, or oppose any candidate for election or issue placed on the ballot in an election.

HARASSMENT

Any form of harassment to include bullying and hazing is unacceptable and will result in disciplinary action. Harassment includes but is not limited to the following:

1. Racial, ethnic, religious or gender-related slurs, name-calling, derogatory slang terms, etc.
2. Racial, ethnic, religious or gender-related innuendoes, epitaphs or gestures.
3. Racial, ethnic, religious, or gender-related terms or messages written on lockers or displayed on papers, signs, T-shirts, or any other materials or apparel.
4. Any discriminatory words, acts, suggestions or sayings, spoken or written anywhere on school property.

Students involved in harassing activities will be punished via suspension up to and including a recommendation for expulsion. Local authorities will be notified and charges filed for severe and/or repeat offenses. Distribution of materials that violate these standards shall be considered an infraction of school rules under the guidelines defined above.

STUDENT SEXUAL HARASSMENT

The Anchor Bay School District is committed to providing all students with a safe and supportive school environment. Staff and students are expected to treat each other with mutual respect and to accept the rich diversity that makes up the school community. Disrespect among members of the school community is unacceptable behavior that threatens to disrupt the learning environment and behavior that will not be tolerated. The Anchor Bay School District is opposed to and prohibits without qualification sexual harassment in our schools.

Definition: Sexual harassment is any unwanted or unwelcome sexual behavior that makes a person feel uncomfortable, put down, demoralized or interferes with a person's school days. In order for any specific action to be considered sexual harassment, it must be offensive to the recipient or create an offensive educational (working or learning) environment. (Sexual harassment includes both intentional conduct and action that was not intended to offend a reasonable and prudent individual.)

Both federal and state laws state that harassment on the basis of sex is a form of discrimination. Title VII of the U.S. Civil Rights Act and Title IX of the Educational Amendments are the laws that make sexual harassment illegal in schools.

FRATERNITIES, SORORITIES, GANGS AND SECRET ORGANIZATIONS

Students attending public schools are prohibited by state law from holding membership in fraternities, sororities, gangs and secret organizations. Belonging to a gang or wearing gang-related clothing and gang items that pose a problem. It creates the possibility that persons other than Anchor Bay students will purposefully come to one of the schools to encounter a potential rival gang or member of a gang. This creates a potentially dangerous situation for all Anchor Bay students. It also creates an intimidating and stressful situation for non- gang members. The potential for internal conflict is also increased when "gangs" exist.

To provide a safe environment for all students in the Anchor Bay School District, all gang identifying clothing, items, and activities (as determined in cooperation with the police) are strictly prohibited in school, on school property and at all school related events. Students violating the above regulation will be subject to disciplinary action up to and including expulsion and referral to police. Non-students will be refused entry to schools and school events or asked to leave.

Violation of the major infractions above may result in immediate suspension for up to ten days, and may be followed by long-term suspension or expulsion from the school program by the Board of Education (as a result of a formal hearing). The District will also pursue criminal prosecution of violations of applicable state and federal laws on school property. Suspensions from school for major offenses require notification to parents by phone or in person, followed by notification by mail (with copy to student record). Conditions for readmission of students may include restitution for property damage and/or acceptance of outside professional help for behavioral difficulties. Documentation of satisfactory completion of conditions for readmission will be provided. Work missed during suspension from school will count toward credit or graduation unless stated by administrator. As a result of a major infraction, students may be restricted from enrollment in one or more educational alternatives in the Anchor Bay School system. Major offenses committed on school transportation will be considered major school offenses.

CONSEQUENCES FOR MAJOR INFRACTIONS

1st Offense = Up to 3 day Suspension

2nd Offense = Up to 5 day Suspension

3rd Offense = Up to 10 day Suspension

Subsequent Offenses = Up to 10 day Suspension

The severity of the infraction may allow for an accelerated/reduced consequence.

During the period of suspension the student has forfeited any and all privileges to attend school functions or any school sponsored activities and/or be on school grounds. Violation of this provision will be construed to be willful violation of reasonable school rules, and subject to further suspension.

SPECIAL RESPONSES

- Time out may be used until a parent conference is held.
- Restitution will be made for damages.
- Bogus phone calls will result in a 1-day suspension.

USE OF BREATH-TEST INSTRUMENTS: The principal or their designee may arrange for a breath test for blood-alcohol to be conducted on a student whenever s/he has individualized reasonable suspicion to believe that a student has consumed an alcoholic beverage. The purpose of the test is to determine whether or not the student has consumed an alcoholic beverage. The amount of consumption is not relevant, except where the student may need medical attention. If the result indicates a violation of school rules as described in this handbook appropriate discipline consequences will be invoked. If a student refuses to take the test, s/he will be advised that such denial will be considered an admission of alcohol use with consequent discipline invoked. The student will then be given a second opportunity to take the test.

CELL PHONE / ELECTRONIC COMMUNICATIONS DEVICES (ECD)

POLICY: Cell phones, /any type of electronic communications devices may be carried by students, but must be silenced and stored out of sight during class time. Students would be allowed to use electronic communication devices (ECD) such as cell phones and I pods in non-instructional areas such as the commons and hallways before and after school, during lunch and passing time.

Cell phone violation

STUDENTS CAUGHT USING OR IN POSSESSION OF A CELL PHONE/ECD: Since use of such devices can contribute to disruptions and student misbehavior, students whose cell phones go off in class or who use cell phones or electronic communication devices in the classroom will be subject to the following consequences:

All offenses involve Confiscation and student pick up after school, follow minor infractions:

- | | | |
|----|-------------|------------------|

| 7. | 7th offense | 5 day suspension |

The administration reserves the right to accelerate consequences as necessary. Students caught using the video or camera capability of the phone/ECD during the school day without prior approval of the building principal

will be subject to suspension from school. Students, who refuse to surrender their cell phone, or electronic communication device to the school administration, are considered insubordinate. This is a major infraction and the consequences for major infractions subject to progressive discipline will apply.

LONG TERM SUSPENSION AND EXPULSION

Decisions on long term suspension (more than 10 days) or expulsion from the District are made by the Board of Education. The student and his/her parents will be provided with written notice of the intention to suspend or expel their child, the timetable for such action, and the reasons for this action. A Board hearing will be convened within ten (10) school days following the suspension. They will be provided with an opportunity to appear before the Board and to answer the charges. A summary of the procedures that will be used, the witnesses that will be called, and the student's rights in these procedures will be provided. The decision of the Board will be made available within five (5) days after such hearing. The Superintendent may assign students to an alternative educational setting. Both the student and the Board may be represented by an advisor or legal counsel at this hearing. The hearing may be held in public or in closed session at the discretion of the student and his/her parents.

STUDENTS CHARGED WITH GROSS MISDEMEANORS OR FELONIES

Students charged with gross misdemeanors or felonies are subject to suspension or expulsion within the discretion of the Board of Education, if the conduct giving rise to the charge occurred while going to or from school, on school district property, at a school activity (either home or away), during involvement in Community Education, or summer school. Students will also be subject to suspension or expulsion if the conduct occurred out of school and has a direct and immediate adverse effect either on school discipline or on the general safety and welfare of students or staff.

MANDATORY EXPULSION FOR SERIOUS OFFENSES

Michigan law requires the expulsion of students who bring a weapon onto school premises. A weapon is defined as a firearm, an explosive device, a knife greater than 3 inches (measured from the hinge), brass knuckles, or any object which can be used as a weapon. In addition, Michigan law requires expulsion of students who communicate threats of bombing, commit arson, commit criminal sexual conduct or commit verbal or physical assaults on school employees, volunteers or contractors.

(Michigan Revised School Code 1311).

The Board shall permanently expel a student in grade six or above if that student commits physical assault at school against a District employee, volunteer, or contractor. Physical assault is defined as "intentionally causing or attempting to cause physical harm to another through force or violence."

WEAPONS

If a dangerous weapon is found in the possession of a pupil while the pupil is in attendance at school or a school activity or while the pupil is en route to or from school on a school bus the superintendent of the school district will immediately report that finding to the pupil's parent or legal guardian and the local law enforcement agency. A dangerous weapon means a firearm including air and gas/powered guns (whether loaded or unloaded), a dagger, a dirk, a stiletto, a knife with a blade more than three inches in length (measured from the hinge), a pocket knife opened by a mechanical device, iron bar, or brass knuckles martial arts weapons or any other object used to threaten or harm another student. Weapons may also include any toy that is presented as a real weapon or reacted to as a real weapon. Criminal charges may be filed for this violation. If a student possesses a dangerous weapon, the Board of Education or its designee will expel the student permanently from the school district, subject to possible reinstatement, unless the student establishes in a clear and convincing manner, at least one of the following:

1. The object or instrument possessed by the student was not intended for use as a weapon or for direct or indirect delivery to another person for use as a weapon.
2. The weapon was not knowingly possessed by the pupil.
3. The student did not know or have reason to know the object or instrument possessed constituted a dangerous weapon.
4. The weapon was possessed by the student at the suggestion, request, or direction of, with the express permission of the school or police authorities. (Act 451 of 1976, Section 1311).

Major offenses committed in school transportation will be considered major school offenses. Students may also be subject to disciplinary action if misconduct occurs out of school and has a direct adverse impact either on school discipline or on the general safety and welfare of staff or students.

ASSAULT

If a student enrolled in grade 6 or above who commits a physical assault at school against another student, shall be subject to permanent expulsion with the right to reapply to the school district after 180 days.

INTERVIEWS OF STUDENTS BY POLICE AND OTHER PUBLIC AGENCIES

The school district endeavors to cooperate with law enforcement agencies. Law enforcement officials may interview students at school. School officials will grant law enforcement interviews with a student considering (1) type of incident; (2) seriousness of incident; (3) age and maturity of student; and (4) the relationship of the incident to school or the education process. When practical, school personnel will be present during the police interview, and an attempt will be made to notify the parent prior to the interview. Parental notification will occur in the event such an interview has taken place.

REPORTING OBLIGATION:

Public law and Board policy requires school officials to report all suspected crimes, misdemeanors, or suspected cases of abuse or harassment.

DUE PROCESS:

A student charged with misconduct has a right to due process. The Board of Education recognizes that the following procedures insure this right:

1. The student will be informed of the charges against him/her in a timely manner.
2. The student will be informed of the origin of the charges and will be allowed to present evidence on his/her own behalf.
3. For criminal infractions where police involvement is required, a hearing will occur with the appropriate administrator, the persons making the charges, and the student (with parents and/or representatives present if desired).
4. The student may have access to records of disciplinary actions and may appeal these actions when appropriate to the next higher authority.

An administrator may require the immediate removal of a disruptive student from a classroom situation if his/her presence endangers the academic atmosphere, the health, safety, or rights of others, or the security of the school. Notice of such a removal will be given to parents at the first opportunity.

In cases where students and/or parents object to the discipline practices of school personnel, appeal may be made by:

1. Arranging a conference with the teacher or administrator from whom the action originated, *then*
2. If agreement has not been reached, writing a letter of appeal to the building administrator, *then*
3. If agreement has not been reached, arranging a conference with the Superintendent of Schools or his/her designee.

Appeals of suspensions should be made in writing to the Director of Secondary Curriculum and followed by a phone call to the office. In an appeal, a parent should include the circumstances regarding the disciplinary action and the student's past school record. An appeal of a suspension may result in detention, or continued suspension depending upon the student's record and circumstances. For suspensions up to 10 days, the appeal process ends at the Director of Secondary Curriculum.

STUDENT GRIEVANCES:

The Board of Education recognizes that as citizens, students have the right to redress of grievances. Further, the Board believes that the instilling of respect for lawful procedure is an important part of the educational process. Accordingly, individual and group grievances should be provided for an appropriate appeal procedures implemented.

The first recourse for a student grievance is the staff member immediately involved in the process. If satisfaction is not achieved, the decision may be appealed to the next higher authority. Details of the appeal procedure are included in the Anchor Bay Board of Education policy manual. Further information can be obtained by calling the Secondary Curriculum Director at (586) 725-2861, or writing to the District at 5201 County Line Rd., Suite 100, Casco, MI 48064

Transportation Guidelines

Information for a Safe and Orderly Transportation System

The purpose of this is to provide students, parents/guardians with information about the Anchor Bay School District Transportation System. State of Michigan Public Act 187 and the Pupil Transportation Act outline the law that all school districts must follow. A copy of P.A. 187 is available for review during regular office hours in the Transportation Department. Anchor Bay School's transportation guidelines and safety rules are also included.

School bus transportation is provided only for eligible students and shall be considered a **PRIVILEGE**. Students are to accept responsibility for their own personal conduct. Law does not require transportation for general education students to and from school. Please take the time to read the following guidelines to protect your transportation privileges.

Bus Stop Etiquette

- Students should be at the bus stop 5 minutes before their scheduled pick up time. Earlier arrival may pose behavior problems as a result of lack of supervision.
- Parents are responsible for getting their student to and from the bus stop and their behavior.
- While waiting for the bus, students should remain in the assigned area. Congregating in unassigned areas, such as lawns or driveways or private property, may result in resident complaints.
- Students must not litter while waiting and be considerate of resident and business property.
- Noise must be kept to a minimum so as not to disturb area residents
- For parents arriving to bus stops in cars, please do not block driveways or park in such a way to impede the bus as it continues on the route.

Bus Routes and Bus Stops

Safety is the most important factor in transporting Anchor Bay students. The following information will make pupil transportation legal, safe and successful.

- Bus stops and bus routes are established on the basis of safety, efficiency, and the age of students. State of Michigan law states: Buses shall be visible in both directions when stopped, (400 ft. visibility) and bus stops shall be at least 200 ft. apart. Not all stops are door to door. High school, middle school and elementary bus stops are centrally located. An exception is made with main road stops, where it may be required that students combine a stop to keep within the 200 ft. legal requirement.
- Students should arrive at the bus stop five (5) minutes prior to the scheduled arrival of the bus. Running for the bus as it departs is extremely dangerous, because it may place the student out of the driver's view.
- The Transportation office reserves the right to change bus stops and routes when necessary. Students and parents will be notified of these changes.
- Parent cooperation is required to make sure the students ride the buses to which they are assigned. This will assure that the school and transportation office will have accurate counts and identification of students if an emergency situation arises.
- Walking distances and bus routes may be adjusted temporarily if necessary as a result of unsafe or impassable roads.

School Bus Safety

Students must:

- Wait in an orderly fashion at least ten (10) feet from the edge of the roadway.
- Cross only in front of the bus following the driver's instructions.
- Hang onto the handrail when entering or exiting the bus.
- Sit in assigned seat and remain seated until the bus stops completely.
- Observe the same conduct as in the classroom.
- Cooperate with the driver; the driver has the right to assign seats.
- Fighting and horseplay will not be tolerated. **HANDS OFF POLICY.**
- Be courteous to all, no inappropriate language or gestures.
- Keep the bus clean.
- Keep head, hands, feet, or any objects in the seat, not in the aisle or out the window.
- No oversized objects may be transported. All items brought on the bus must be secured in the student's lap.
- No live animals are allowed, and sporting equipment must be kept in an appropriate bag. Skateboards, roller-skates or blades, and balloons may not be transported.
- Do not touch any bus mechanisms, switches, or supplies. This includes emergency windows, doors or hatches unless instructed to by the driver.
- No eating or drinking on the bus. All buses are posted as a Peanut Allergy bus.
- Possession of illegal substances, weapons or obscene material is not permitted.
- Realize that any driver distraction is potentially hazardous to the safety of all passengers.
- Students must have written permission from a parent/guardian and endorsed by the school to ride home with another student or exit another bus stop that is not the student's assigned stop.
- Students will be financially responsible for any damage they may cause to the bus.

Bus Conduct Reports

Bus conduct reports will be issued for disobeying bus or safety rules. Students must give the Bus Conduct Report to parents/guardians when issued from the school. Student must have the form signed and financial restitution if any must be made before the bus riding privileges are reinstated.

Middle School and High School Students

- (1). Written warning - Depending on the severity of the incident, this step may progress to a suspension
- (2) Five (5) days
- (3) Ten (10) days
- (4). Suspension of bus riding privileges for the remainder of the school year. (It is possible that Transportation may be suspended into the following school year.)

Additional

All students are assigned to their bus stop based on their home address. If a different stop is required, an "Alternate Bus Form" must be obtained either at the school, online or in the Transportation office.

Different bus stops may be assigned for the following reasons:

- Child care arrangements must be within the same school's boundary.
- Child care arrangement must be for all five (5) days.
- The alternate stop must be an existing stop on a bus run.
- If the request is for a noon time kindergarten stop, the stop requested must be within the a.m. /p.m. attendance area for that school.

You will be notified by the Transportation Office when your request has been filled. Do not change your stop location until that time.

An approved request will result in your child's assignment to the alternate address. If your child should need to change back to the home address, contact the Transportation Office and allow up to 3 days for the change to become effective. Again you will be notified.

PUBLIC ACT 328 OF 1994:

Expulsion for Serious Offenses: Michigan law requires the expulsion of students who bring a weapon onto school premises. A weapon is defined as a firearm, an explosive device, a stun device, a knife greater than 2.5" (Measured from hinge), brass knuckles, or any object which can be used as a weapon. In addition, Michigan law requires expulsion of students who communicate threats of bombing or verbal or physical assault on staff members or volunteers. Students should refer to Board Policy for a specific definition of assault.
