

Welcome to Preschool

Ms. Jenelle's Class

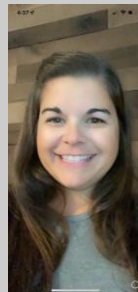

Hello! My name is Ms. Jenelle, and I am a 3- and 4-year-old traditional Preschool Teacher.

I have been working for Anchor Bay Schools for 19 years.

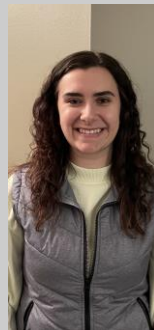

I am looking forward to a wonderful year and getting to know you and your child.

I look forward to watching your child grow and learn while having fun!

Thank you for sharing your child with me!

My assistant is Ms. Kaylee. This is her third year working at ECC. When she is not at ECC she is coaching the ABMSS cheer team. Together we make a great team!

My email address is:

Arrival and Dismissal

Arrival and dismissal will look different this school year. You will now be arriving, and I will be dismissing children on the side entrance instead of the front entrance.

Grown-ups are asked to park on the side of the building this school year.

Reminder: At this time the children are not required to wear a mask when in the classroom. However, you are more than welcome to send your child with a mask.

Arrival and Dismissal Continued

Upon arrival please arrive 5 minutes early. I will greet you and your child at the side door. We will be screening each child (temperature, COVID questions and sign in) at that time. A staff member will then escort your child to our classroom.

Upon dismissal please arrive 5 minutes early. I will escort all children to the side door where you will be there to greet them!

If you are arriving late to class and I am not at the side door due to class starting you will enter through the front entrance. The screening process will be done by an Office staff member and they will escort your child to our classroom.

Due to health concerns grown ups are unable to escort children to their classrooms at this time.

Now Let's Take A Tour!!

Welcome to classroom Number 1!

In this classroom:

- *We make new friends!
- *We share and play!
- *We sing and dance!
- *We create and discover!
- *We make memories to last forever!!

Cubbies and Large Group Time

Each child will be assigned their own cubby.

We will hang up our belongings and get out our daily folder.

The daily folder is what we use to communicate back and forth each class time.

Please make sure it is in your child's backpack each class time.

We meet at large group four times each class day.

This is where we read stories, learn calendar and weather, sing songs and dance.

It is a large part of our preschool day!

Work Time!!

Block and Discovery Area is where we build, discover, explore and design!!

Kitchen Area is where we use our imagination and make believe!!

Art, Easel and Writing Center is where we create and experiment with new materials!

Bathroom

Although we have a sink in our classroom for hand washing we do not have a bathroom.

The bathroom is located directly across the hall from our classroom.

The children have to be escorted by a Teacher when using the bathroom.

There are two private stalls with locks.

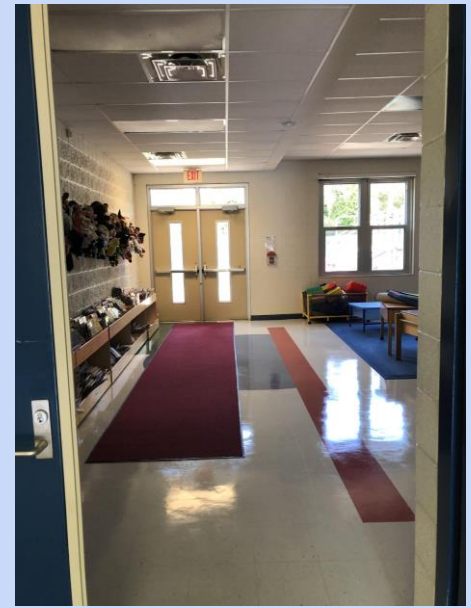

We are always working on self help skills which includes hand washing and independently using the bathroom.

Recess

Each day your child will have time to go outside on the playground, weather permitting. On days with inclement weather the children will be able to play in the recess room (indoor gym)

- *We Climb!
- *We Run!
- *We laugh and play!

- *Hula Hoops!
- *Balance Beams!
- *Stepping Stones!
- *Parachute Fun!

Supply List:

- One pencil box labeled with your child's name (plastic or metal)
 - 3-4 sharpened No 2 Pencils
 - Blunt tip kids scissors
 - One box of crayons
 - 3-4 Glue sticks
 - Regular size backpack
- Ziplock bag labeled with your child's name and class with a pair of spare clothes.

For us to enjoy healthy snacks and drinks we rely on grown up participation. A sign up sheet for snack will be available at arrival and dismissal
