

GET-IT Girls

Girls Exploring Together - Information Technology

Lighthouse 4th and 5th Grade GIRLS

GET-IT stands for Girls Exploring Together - Information Technology. It is an before-school team activity designed to encourage girls (grades 4 - 12) to consider and ultimately pursue a career in information technology. The program runs from October through the end of the school year and is **FREE** for participants.

Benefits to Students:

Develop confidence and build skills in a fun, safe environment.

Fun field trips to local tech companies.

Learn about tech career opportunities and meet female tech professionals.

Engaging one-day events to learn from women leaders in Michigan's tech industry.

Opportunity to build community with other like-minded girls.

This fall, girls will make a WEBSITE with html and CSS. There is even a website competition with a cash prize! In winter, girls will program Ozobots with block coding and with markers. Register for GET-IT GIRLS by October 9th, use this link on your computer or phone:

<https://tinyurl.com/lightgetit>

Lighthouse GET-IT GIRLS will meet before school on Tuesdays (8:00-9:00). Our first meeting will be October 10th. All dates will be provided at the first meeting.
