

# HELPING OUT THE HIVE

As we gear up for Teacher Appreciation Week with a buzzing bee theme, let's show our amazing teachers and staff some love! Check out their Amazon wish lists and consider lending a helping hand if you're able. On Wednesday, May 8th, students are encouraged to bring in their hive helpers. Remember, there's no pressure to donate—just spread the joy and appreciation! Let's make this week unforgettable for our hardworking hive!
