Dear Parents/Guardians,

It's Pirate Prowl time!!!

If you are new to our school and are not familiar with this event, Pirate Prowl is our one and only fundraiser at Middle School South. Even better, we don't ask our students to sell anything and **100% of the money brought in goes back to our students** and not a fundraising company.

The objective of our fundraiser is to have our students ask **family** and **friends** to donate to our school with the opportunity of obtaining prizes with every milestone pledge they hit. The more they raise, the bigger the prize and ability for us to help our students succeed academically and socially.

Everything builds up to our **"Pirate Prowl"** event on Friday, October 20th, where all students will go out to the athletic field after lunches, listen to music, be with friends and have a chance to win some awesome prizes. This is also a way for us to encourage physical activity, raise needed funds for our school, and avoid selling anything to friends and family.

On the back of this letter is a prize schedule showing what our students will earn depending upon their pledge amounts. Please keep track of pledges and money on the envelope we will be sending home with students on Thursday, September 28th. **Envelopes with money can be turned in any day leading up to Thursday, October 19th.** **If you misplace the envelope we provide, no problem! Please use any envelope you may have at home to submit money. We also offer an option to donate online via credit card (directions below).**
